Residential barcodes will be issued to all LBTS property owners, people that live permanently with the owner, the owners' children and their spouses. Each residence will be issued personal barcodes free of charge, provided that all assessments have been paid. Additional barcodes may be issued to sons, daughters, son-in-laws and daughter-in-laws at the cost of \$20.00 each. A copy of the current vehicle registration or bill of sale and proof of ownership must be provided with this form. Barcode requests must be made in person at Waccamaw Management. They will only be mailed if the owner's primary address is outside Georgetown or Horry Counties. Mailed barcodes will not be activated until a member of the WM staff verifies that the vehicle bearing the new barcode is correctly entered in the security system. The operator of the vehicle must show identification and vehicle registration information to complete the activation of the barcode. New owners may be required to provide a copy of their closing document.

Barcodes are the property of LBTS. The Association reserves the right to deny the issuance of a barcode or to remove a barcode if it is not used in accordance with the rules and regulations of LBTS. All barcodes are issued to one specific vehicle. Transferring barcodes to another vehicle or requesting barcodes for non-eligible people is strictly prohibited and will result in fines and temporary deactivation of the barcode.

If the vehicle is traded the barcode must be removed from the vehicle and returned to Waccamaw Management before a new barcode can be issued.
