

Proper Use of Barcodes AND Scanned Passes

BARCODES:

It is important that everyone reads and understands the conditions that are clearly stated on the barcode vehicle registration form and the barcode policy. If completing the form, yourself, please make sure that ALL information is accurate and truthful. Those persons who qualify for a barcode are clearly outlined on the barcode form and barcode policy as well. In addition, the barcode MUST be properly adhered to the automobile or golf cart (DO NOT TAPE).

Please remember, the barcode may not in any way be altered or placed on a location other than that specified, without the prior written approval of LBTS Security Team (SherellH@waccamawmanagement.com).

Barcodes are controlled and managed by Waccamaw Management on behalf of LBTS.

SCANNED PASSES:

Scanned passes are issued primarily by LBTS resident's owners, but can also be issued by realtors for their rental guest and/or agents and employees when working. All approved realtors have signed a letter outlining their responsibility for proper use. Improper use can result in their privilege to rent properties at LBTS being revoked.

Resident's owners have direct control over issuing passes for their guests. The resident's owner issuing the pass is responsible for the conduct of anyone using that pass.

Scanned passes are NOT intended to be used to provide local, non-LBTS residents, access to the pool at River Club or the beach at LBTS.

LBTS Gate HOURS:

The NORTH gate is NOT available from 9pm to 6am. All others are available 24/7 for both barcodes and scanned passes.

AS RESIDENTS, WE PAY FOR THIS PRIVILEGE, DON'T GIVE IT AWAY!!!
