### Administration News & Updates:

Dear Litchfield-By-The-Sea Owners,

I hope you had a Happy Holiday and Happy New Year!

On behalf of the LBTS staff, I would like to thank our owners & volunteers for a wonderful 2025. It has been a pleasure to serve you and to be a part of this wonderful Community. We are happy to be here!

2026 will be a very exciting year for Litchfield-By-The-Sea. The LBTS staff is dedicated to improving the owner experience, providing outstanding service, and enhancing the value of LBTS. To accomplish this, we have some operational improvements planned for 2026. This year you will see the following:

- Continued enhancements to Safety and Security
- Improvements to access-control and gate operations
- An improved public website that reflects the Premier Status of LBTS
- A modern and professionally produced Newsletter, in digit and print format, that reflects the Premier Status of LBTS
- Increased non-assessment revenue to help offset operational expenses
- Improved service, standards, and property appearance as we continue to transition more tasks from vendors to the in-house team

In addition, the planned development of the Litchfield Company lots offers LBTS some exciting opportunities in 2026. We are perfectly positioned to leverage the development of those parcels to improve LBTS's status as a Premier Resort Community, increase LBTS property values,

and enhance the owner/guest experience by having top-notch amenities right outside our front door.

Stay tuned, 2026 is going to be very exciting!

Sincerely,  
Alan Dubroff, COO
