Short Term Rentals- Resort Fee Reminder

For those owners who rent their units, please review the attached reminder that LBTS charges a Resort Fee for each rental night which must be paid at the end of each month. We have initiated report generation that will assist us in checking access permissions to units to ensure compliance with the program and correct submissions. Please be advised that compliance is mandatory and the failure to submit the fees in a timely manner may result in fines and/or the inability to process access to the community for your rentals.

The Blessing of the Inlet generates funds for many missions, charities, and nonprofit organizations due to Belin’s focus on the people and lives of Murrells Inlet and the surrounding South Strand. The festival provides a day of entertainment, with arts and crafts vendors, restaurants, and fun events for the entire family. The actual “Blessing” ceremony will start the event and will be held in front of the cross on the inlet. The festival is a free event with no admission or parking charge and is always held rain or shine. Everyone is invited to celebrate the glory of God and all His blessings.
