

# LBTS SECURITY PROGRAM

## TO ALL LBTS RESIDENTS:

We want to provide our residents with tips on how to use the Resident Module at [www.lbtsguard.com](http://www.lbtsguard.com). We are diligently working to help you have a great experience using the new module to register your guest(s).

1. Sign on to the URL, [www.lbtsguard.com](http://www.lbtsguard.com) with the initial username and password that you have been assigned. By now we believe that the vast majority of our residents have done this and have now established their permanent username and password. IF not, please contact Waccamaw Management for assistance.
2. Again, please remember that your email address **MUST** be registered in the system.
3. **LBTS resident's guest(s)** can pick up their scanned pass from the **LBTS guard gate**. **River Club resident's guest(s)** can pick up their scanned guest pass at the **River Club guard gate** and **Willbrook residents** can pick up their scanned guest(s) passes at the **Willbrook guard gate**.
4. **Reunion Hall** and **The Reserve** resident's guest(s) can pick up their guest(s) scanned passes at the LBTS guard gate.
