Osprey Lake Project Update

Attached is the latest update regarding the Osprey Lake Fishing Docks and Boardwalk Project. We share the disappointment in the closure of this area but kindly request that you refrain from accessing the fenced-off areas. We appreciate everyone's continued patience and support as we move this important project forward. Please continue to share the attached letter and FAQ with your guests and neighbors.

Alligator Safety Reminder

Please be reminded that feeding or taunting alligators is not only dangerous, but also a violation of South Carolina law. See the attached document for more details.

Reporting Safety Concerns

Speeding, noise complaints, and criminal activity should be reported directly to the police. LBTS Security cannot contact law enforcement based on third-party reports. However, it is helpful to alert the Main Gate if you do contact the police, so we can facilitate access and document the situation.

Osprey Lake Fountain Repairs

The three fountains in Osprey Lake are currently offsite for service. We are working with The Lake Doctors to restore them as soon as possible.

Architectural Fountain Maintenance

The architectural fountains have been drained for deep cleaning. Repairs are scheduled for next week to restore both water and lighting functions.

Sub Association Pond Use Reminder

Please note that sub-association ponds are for the private use of their respective members and are governed by sub-association rules and regulations.

Irrigation System Repairs

We've completed an audit of the irrigation system and are prioritizing necessary repairs. If you notice an issue, please call the office 854-223-5287 or email info@litchfieldbythesea.com to report it.
